### **Going Deeper**

1. In Matthew 17:5, God tells us to “listen to him.”
  - a. What does listening to Jesus involve?
  - b. What keeps us from obediently listening to Jesus?
  - c. In this week’s sermon and in this week’s *Hope Fellowship Sun* Pastor Peter described a listening exercise at a pastors/spouses retreat in which everyone was invited to spend some time in silent solitude and listen for God’s voice. Have you ever heard God’s voice in a time of silence and solitude? If so, what did you hear?
2. Take 5 minutes of silence to centre yourself before God. Don’t do anything, don’t say anything, just practice being silent in God’s presence and focus on “listening to him.” Ask Jesus to speak directly to your spirit.
  - a. What did the Lord say to you in these moments of silence?
  - b. How did it feel to spend some time in silence, actively listening for God to speak to you?
3. Is there anything you need to do as a result of what you heard and learned about the transfiguration of Jesus?
