Hope Fellowship
Ministry Partnership Renewal

Dear Friend,

Are you living it?

Hope Fellowship's stated purpose is to bring people into a living relationship with Jesus Christ. One part of living out that relationship involves responding to God's call to give of ourselves to bless others as an expression of our gratitude for the gift of salvation we have received in Christ.

The leadership team of Hope Fellowship Church wants to partner with you and challenge you as we live out that call together. We have developed the Ministry Partnership Renewal form to help you take stock of where you are already serving others through your time, talents and finances both at Hope Fellowship and in the community. We are also challenging you to consider where you might see yourself serving in the coming year. Finally, we would like to give you the opportunity to connect and be supported through small groups and learning opportunities at our church.

We are inviting <u>every person</u> age 12 and older that is connected with our church to complete a Ministry Partnership Renewal form and return it by Sunday July 10th. A form for everyone in your household is attached to this covering letter. For those of you that completed a form last year, we ask that you complete another one as the form has changed and your involvement and plans may have changed as well. We have set an ambitious goal of having 90% of the members and regular attenders at Hope Fellowship complete a form and we pray that you will support us in this goal. You can complete and drop off your completed form during the Living It BBQ on Sunday June 19th or drop it off in the Admin Zone Coordinator mail box. Additional forms will be available in the MPR mailbox folder, on the website and at the office.

Once the forms are returned, we will use this information to review the ministries provided by our church and then identify new ministry opportunities, ministries that may need more attention and even those that we could step back from. As we grow as a church, we plan to use your responses to help guide our steps as we jointly live out our purpose to share Christ with those around us.

If you have any questions about the form or this process, please feel free to contact any Zone Coordinator or member of the Administrative Board.

In His Service,
Pastor Peter Slofstra, Stan Baker, Administrative Board Chair
& your ministry Zone Coordinators
