

**Worship Zone**

The Worship Zone includes eight ministries that work together to create meaningful worship events, which support the preaching of God’s Word and help people praise God while bringing them into a new or deeper living relationship with Jesus Christ.

- *Worship Committee*
  - *Music Ministry*
  - *Dramatic Arts*
- *Expressive Arts*
  - *Electronic Arts*
  - *GUS (Greeters Ushers Security)*
- *Visual Arts*
  - *Sound and Tech*

<i><b>Goals</b></i>	<i><b>Accountability</b></i>	<i><b>Target Date</b></i>
1. Maintain and strengthen the existing ministries in the Worship Zone. All ministry leaders will meet together twice per year in November & June, each ministry will also be supported by a worship committee liaison.	Worship Committee Zone Coordinator	Ongoing
2. Continue to work with the Property Committee and to assess needs and ways to use the worship center. Continue to work toward incorporating areas in foyer to display works of original art.	Worship Zone Leaders	Ongoing
3. Provide training to every person associated with any aspect of worship by being proactive in the identification of training opportunities and individuals in the congregation who would benefit from these experiences. Initiate emergency training for GUS personal (will work with Children’s Zone).	Worship Zone Leaders Zone Coordinator	Ongoing
<del>4. Develop a plan to go to 2 Sunday morning worship services. Begin work on this with music ministry, sound and GUS leaders.</del>	<del>Zone Coordinator, GUS, Music &amp; Sound</del>	<del>Jan 2010</del>
5. Create a repertoire of original material for use within the congregation. Purposefully record all multimedia materials (music, black light, drama etc.) and contribute recordings to the library and in electronic form for the website.	Worship Zone Leaders, Worship Committee	Ongoing
6. Contribute to a website that will act as a means of promoting and informing relevant information to the community about Hope Fellowship.	Zone Coordinator	Ongoing

<i><b>Long Range Goals</b></i>		
1. Host a 1 Day Worship Conference. Meet with local churches to explore different areas of worship like the use of original materials in worship, how to mix sound and using different art forms in worship.	Worship Zone Leaders	2010-11
2. Plan and present more events: ie; SOLID evening or multimedia events (drama, music etc.) or Music concerts with other artists.	Worship Zone Leaders	Future
3. Explore the possibility of presenting Sunday morning worship services in live video streaming to the internet or website.	Worship Committee Zone Coordinator	2010
4. Explore possibility of alternative mid-week or Saturday worship services.	Worship Committee	Future
5. Develop the Makeshift Recording Studio, explore possibility of using worship space with sound system for recording.	Zone Coordinator	2009-10
