Sermon Notes, Pastor Henry Wildeboer

Enjoying *Fresh Living Water* Daily

1. Get your eyes off yourself; it is not about you! Repent from a self-centered life. (Put one or two \$5 bills in your pockets or purse with goal to give them away to one or two people in need.)
2. Nurture non-negotiable Christian disciplines such as prayer, Bible reading, worship and tithing. Stop debating those basics!
3. Look intentionally for occasions to serve and help others. Build a few relationships with family members, neighbors or co-workers with the goal to love them to Jesus. If needed, take training to lead someone to Christ. Learn how to help others confess specific sins/failures and discover the joy of being forgiven.
4. Set aside 2-4 hours a month to volunteer in one community ministry such as a food bank, Gate 3:16, St. Vincent Kitchen, or

Practice these daily and you will develop,

“A Mission Focussed Life.”
