

## First Scene

Young Girl:

For a camel, you make a triangle like this.  
That's the hump.  
It's so easy. See?  
Then some lines for legs here.  
Teacher taught me how to do this.  
He showed me elephants and cats, too.  
But I told him you like camels.  
That's the neck.

You're not watching.  
Then on top, I put another triangle for a head.  
They have big round eyes and a skinny tail here.

Boy:

Little baby, playing with girls?  
Get off! Get off him!

Jesus:

Stop!  
Don't touch her!
